Twirly's BIRTHDAY BASH

Gila von Meissner

Today is Twirly's birthday and everyone is getting ready for the big party and hoping for a celebration dance from Twirly himself!

Tooth Town is buzzing with excitement. Kent is zooming around, hanging decorations, while the gang is scrubbing every tooth and baking a cake.

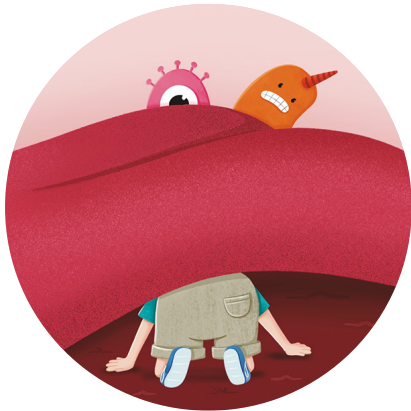

The only one missing is Twirly.

Ash is searching high and low for Twirly. He peeks behind each tooth and even looks underneath the tongue.

He also squeezes into Twirly's special hiding spaces.

Twirly likes taking cover in between the teeth, playing hide and seek with the toothbrush.

But Twirly is nowhere to be found.

There's Twirly, lying behind a tooth and not his happy self. Normally, he's fidgeting around all the time. But now, only his bum is wiggling a little bit.

Hey.

Anything I can do to help?

Hungry?

Grnwmpf.

Pflmpf.

Twirly falls silent.

That's when Ash notices the sweets everywhere, and it all becomes clear. Today, Twirly's sweet tooth has gone too far. No wonder he is feeling poorly now.

This is no way to celebrate a birthday! Twirly really needs a good clean and tickle. Since Ash is never without his favourite toothbrush, he immediately goes to work.

He brushes softly, leaving no spot unbrushed. Twirly can't help but giggle through it all.

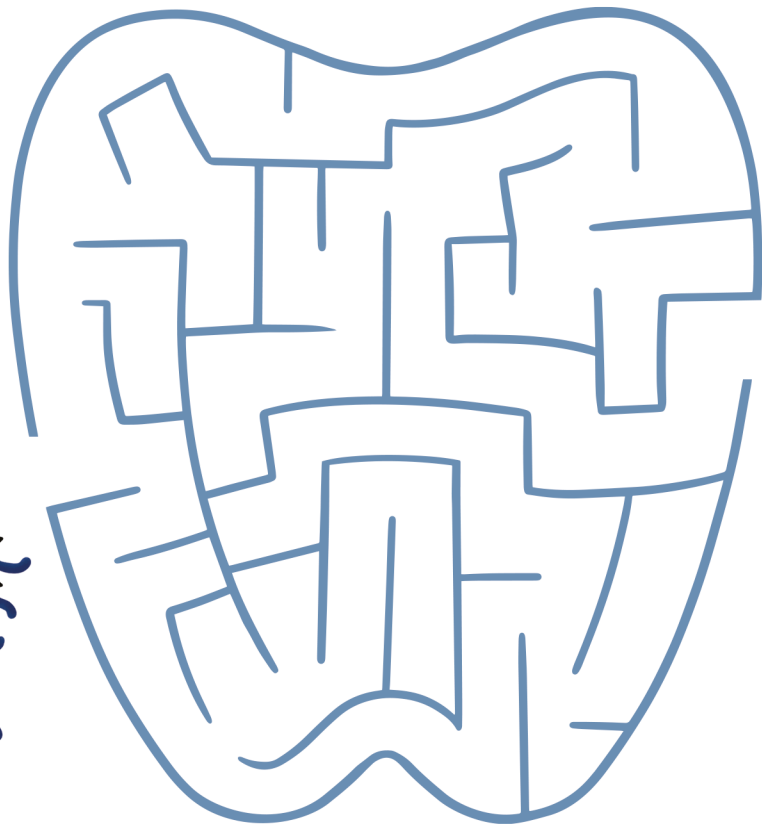

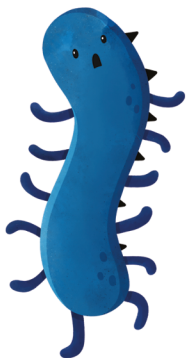

Squeaky clean and with healthy fruit and veggies in his belly, Twirly is perking up. First, his legs twitch. Then his bum wiggles. And zoom... off he goes. Ash knows that next time he will make sure that Twirly eats less sweets!

With the birthday party in full swing, Ash joins the others on the dance floor. He can't help but feel proud of himself. He has saved the day AND finally mastered the Jiggly-Wiggly dance move!

A whimsical illustration of a blue-skinned fairy with large, dark blue hair styled in a high bun. She has large, expressive eyes and a gentle smile. She is wearing a blue dress with white polka dots and large, pink, translucent wings. She is holding a large, orange broomstick with a yellow starburst at the end. The background is a soft pink with faint outlines of various fruits like apples and strawberries.
